Cost Estimate for Fabrication of VA-6 System

REF : SPM 7-614

DES	4	010580	010986
CHRG COMP	033	56	02
ORIG CLAS	5	13	2
JUST	22	20/0	

1. Under par. 2a of the referenced memo, [redacted] was requested to submit a proposal for the fabrication of a Crystal Video Demand System similar to one developed at the R+D Lab.

2. A cost estimate for \$10,723.14, based upon discussions with Avion technical personnel, has been received. An estimated delivery date for (5) complete systems is set for 1 March 1958, dependent upon receipt of the necessary Government Furnished Equipment.

3. The proposal is deemed reasonable and acceptable to this division and a copy of the letter is attached for your information and concurrence.

Attachment:

Avion letter dated 27 December 1957

25X1

Gentlemen:

Enclosed as Attachment A is the cost breakdown of our estimate for accomplishing the work involved in Work Order 1 of Task Order 2 of the referenced contract. This estimate is based on several discussions between Government engineers and [redacted] technical personnel; Government furnished drawings; and equipment models. (Drawings and equipment are unclassified.)

25X1

Our estimated delivery date for five (5) complete systems is March 1, 1958, dependent upon receipt of necessary Government furnished equipment. On the advice of the Government's technical representatives we are proceeding with the subject work.

If there is additional information you require, we shall be pleased to supply it.

Very truly yours,

25X1

Assistant to Plant Manager
